

## Soccer Blast COVID-19 Guidelines for Players, Spectators and Users of the Facility:

Soccer Blast will be hosting Leagues/Rentals/Programs for the Winter 2020-21 season. There will be guidelines and social distancing methods in place to create as safe of an environment as possible. We ask that you follow these guidelines if you choose to participate.

- All participants, spectators and coaches are asked to self-monitor for symptoms prior to coming to the facility and to not attend if showing any symptoms as listed by the MDH Guidelines (<https://mn.gov/covid19/for-minnesotans/if-sick/is-it-covid/>)
- All participants will be required to wear a mask while inside Soccer Blast
  - Coaches must wear mask, even when on the field.
  - Players must wear a mask at all times, including when on the field. *\*Updated 1/14/21*
  - Spectators must wear a mask at all times.
- All participants will be asked to sanitize or wash their hands when they enter.
- *For Rentals Groups/Practices* – We ask that only players enter the building for their event- No Spectators. Except players under 10 may have a parent (1) present. The spectator bleaches are removed from the facility to allow for more distancing. Spectators are not to enter building until the activity starts. Excepts may be granted to rental groups based on the nature of their rental.
- *For Soccer Blast League Games/Programs* - there will be one (1) spectator allowed per youth player (U14 and under) – however, social distancing must still be maintained and if not possible, spectators will not be allowed. The spectator bleaches are removed from the facility to allow for more distancing. Spectators are not to enter building until the activity start and must leave immediately after the activity (do not wait for players pick them up outside).
  - If a player on a league team tests positive for COVID-19, they need to tell their manager and the manager of that team should inform Soccer Blast League Management, as well as the rest of the team members. Soccer Blast will inform the contact of any team that player had played against within 2 days of that player developing symptoms, or 2 days of the positive test if no symptoms are present. Confidentiality of the player will be maintained.
- All participants are asked to arrive no more than 10 minutes early and leave field area immediately after their activity. They are also asked to leave the building immediately after their activity.
- Groups are asked to follow the traffic flow in the building, as outlined by signs/arrows.
- There will absolutely be NO SPITTING allowed on the field/player bench or spectator area. Anyone disregarding this rule will be asked to leave.
- There will be **ZERO** tolerance for yelling yet/getting in the face of the referee. All players/coaches/managers must stay 6ft away from the referee when in discussion.

- There will be **ZERO** tolerance for yelling yet/getting in the face of another player. All players/coaches/managers must stay 6ft away from the other player when in discussion.
- Simply, be respectful and remember this a game for fun – exercise – social atmosphere. You are not competing to win the World Cup – so just have fun!!
- Team goal celebrations should be limited to no contact. End of game “good game” between teams **MUST** be no contact. (no handshakes, high fives, etc). A simple thank you and wave would be great!
- Players are asked to bring in their own water bottle (filled) or purchase one from the concession stand. Water bottles should not be shared. The water fountain will be turned off.
- Any Rental group using Soccer Blast is expected to follow the Preparedness plan and Guidelines set forth by Soccer Blast. This includes following Social distancing and occupancy restrictions put in place by the State of Minnesota.

Thank you,

Soccer Blast
