A SOCCER BLAST PLAYER DEVELOPMENT PROGRAM

Soccer Blast is excited to bring Simon Whitehead and Coerver Training to the facility as a major part of our Player Development Programs. This program is for the serious minded soccer players who envision themselves excelling in the sport of soccer!

- The goals of the programs are to develop skilled, confident and creative players, in a FUN and very active environment.
- The **Coerver Program** believes that team systems and tactics are only as good as the individual players in it, and view the game as sequences of play between 2, 3, and sometimes 4 players, in ever changing parts of the field.
- **COE is an 18-week program designed for the more advanced player, (U9 & 10 Maroon, U11 C-2, & U12 C1 players - Others will be assessed for program qualifications). A full Adidas uniform is included in the cost. (Conducted on the dates listed for Sessions 1 & 2 below.)**
