

TURF BLASTERS

2016/2017

A SOCCER BLAST PLAYER DEVELOPMENT PROGRAM

Our **Turf Blaster** Program is designed for the beginning to mid-level player who is looking for some excellent training, but also wants to experience the thrill and enjoyment of "Playing The Game!" This program will provide the player a format to learn and perfect technical skills along with developing their tactical play on the field, while having tons of FUN!

- o A FUN filled hour of soccer activities, for the player who wants to learn the technical and tactical skills needed to let them enjoy playing the sport they love. SOCCER BLAST's Excellent Trainers can help you elevate your GAME.
- o We strive to provide the best training possible for all, taking into account that players are sometimes at different levels of their soccer playing ability, pushing the ones that are ready for more, and guiding the ones that need a little more. With a 1 to 10 trainer to player ratio we strive to send your child home at the end of each session with a smile on there face and their soccer playing ability improved.
